

MINUTES OF THE BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-  
Clerk of the Board of Supervisors  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

At its meeting held June 10, 2008, the Board took the following action:

62-C

Supervisor Knabe made the following statement:

“Last week, Governor Schwarzenegger proclaimed a Statewide drought in response to the State’s severely low water supply due to below-average rainfall and court-ordered water restrictions. This is a very serious issue, and we need to be sure that the County is doing its part and making every effort to conserve water resources.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Antonovich, unanimously carried, the Acting Director of Public Works was instructed to report back to the Board on July 1, 2008, with what actions, if any, the County needs to take in light of the Governor’s recently proclaimed Statewide drought, including any recommendations to ensure that we are conserving water.
